

Backnine Trades — Naming Decision Record

Final shortlist with domain availability and risk assessment. Selected name highlighted.

Final Shortlist (10 names)

NAME	DOMAIN (.COM)	STATUS	RISK	NOTES / RISKS
Backnine Trades ★	backninetrades.com \$11.25	Available	LOW	SELECTED. Golf metaphor — the back nine of his career, played on his own terms with new partners. Memorable, ownable, no notable trademark/slang issues.
Mulligan Trades	mulligantrades.com \$11.25	Available	LOW	Golf "do-over" — perfect founder-story fit. Slightly playful for institutional buyers.
Victory Lane Trades	victorylanetrades.com \$11.25	Available	LOW	Racing imagery (not golf). Confident finishing energy. Long URL.
The Town Trades	thetowntrades.com \$11.25	Available	LOW	Oakland identity anchor. Strong if Oakland is core to the team; weaker if SF-focused.
The Town Maintenance	thetownmaintenance.com \$11.25	Available	LOW	Same Oakland anchor, more category-clear for B2B PMs.
Fairway Trades	fairwaytrades.com \$11.25	Available	LOW	Golf "down the middle" reliability metaphor. Generic-leaning.
Albatross Trades	albatrosstrades.com \$11.25	Available	MED	Golf rare-shot reference. "Albatross" also has the "burden" idiom — could read negatively to some.
VTowers Co.	vtowersco.com \$11.25	Available	MED	Heritage tie to Victorian Towers. Vermont/Virginia Tech SEO drag from "VT" prefix.
VT Maintenance	vtmaintenance.com \$11.25	Available	MED	Lowest-risk safe pick. Anonymous two-letter brand. VT Industries (door manufacturer) trademark adjacency. Vermont/Virginia Tech search noise.
Victorian Tower Co.	victoriantowerco.com \$11.25	Available	HIGH	"Victorian Tower(s)" is a common residential building name nationally — severe SEO/listing collision. "Victorian" connotes dated/prudish.

Names Considered & Eliminated

NAME	DOMAIN (.COM)	WHY ELIMINATED
VT Trades	vttrades.com Taken	.com unavailable; alternative TLDs would weaken the brand.
Daybreak / Freehold / Crucible / Threshold Trades	various available	Story-emotion names — rejected as too literary for B2B sales.
Mosswick Towers / Mansard & Co. / Belvedere / Cornice / Cupola / Spire & Sash / Bay & Belfry	various	Architectural-detail names — rejected as too niche/precious.
Bayline / Rampart / Plumbline / Mainstay / Fillmore / Ironside / Crosstown / Anvil / Gateline / Dispatch & Co.	various	Action/SF-rooted names — let pass without endorsement, eclipsed by the golf direction.
