

Back9 Trades — Brand Lockup Options

Selected mark in gold/highlighted at top. The other 9 shortlist names with concept logos below.

Backnine Trades

Painted Lady Victorian with flag on the peak. The do-over chapter.

Mulligan Trades

Golf ball with the do-over arrow circling it — literal "mulligan" mark.

Victory Lane Trades

Laurel wreath with "V" in the center — classic victory mark, no flag.

The Town Trades

Oakland oak tree — the city's namesake symbol.

The Town Maintenance

Bay Bridge silhouette with flag on the tower — Oakland gateway icon.

Fairway Trades

Pin flag on a rolling fairway with the cup — classic golf-course mark.

Albatross Trades

Albatross in flight with flag below — rare-shot golf reference, premium feel.

VTowers Co.

Tall narrow Victorian tower with steeple and finial spike — the "Towers" anchor visualized.

VT Maintenance

Heritage shield with VT monogram — clean, institutional, low-risk.

Victorian Tower Co.

Ornate Victorian rooftop with spire, mansard, dormer, and bay windows — full heritage.

Each mark is a concept — sized to display in the same navy-circle treatment as the selected Back9 lockup. Pixel-level refinement on the chosen final mark.
